2018 STUDENT LEADERS

I have great pleasure in introducing to you some of our student leaders for 2018. We have seven Year 7 students who make up our **STEM Action Team**. Jett, Kathryn, Kaylee, Zoe, Layla, Oscar and Jayden will be collaborating with students from across the state and will be working closely with MVPS staff to ensure STEM learning at our site is innovative and challenging.

Last Friday all of our Senior students who had nominated to be a House Captain, presented their speeches in front of all of the Year 3-7 students in their House Team. All of these students are to be commended for their confidence and bravery at having a go even though not everyone could be picked. Our House Captains for 2018 are:

MONSTER TRUCKS COME TO VISIT

Last year Noah made a decision to try his best at all his learning.

His teacher knew how much he liked Monster trucks, so they made a deal that if he tried hard with his learning, she would organise for a Monster truck to visit him at school. It took him all year of working super hard, but he NEVER GAVE UP and finally he made it. So in the first week of this term, a monster truck arrived at school for Noah to climb on and all his friends and school mates to see.

It was an AWESOME day for Noah and the whole school and reminded us all that hard work and perseverance leads to SUCCESS. Who knows what other amazing things we can achieve at Morphet Vale, where we NEVER GIVE UP?
