

MORPHETT VALE PRIMARY SCHOOL

Principal: Michael Koutsoukos
Deputy Principal: Melissa Mundy
Wellbeing Leader: Hayley Rice
Senior Leader Curriculum: Victoria McKinnon
Chairperson Governing Council: Julia Mustac

Term 4 – 15/10/21

From the Principal

2021 NAPLAN

Again, our national results are reflecting the progress our students have made and some highlights from reviews of our site have shown that:

- Our school has highly effective student achievement tracking processes.

- Our school is well-positioned to engineer greater focus on the required and identified teaching and learning between assessments to ensure targeted and continued improvement in student progress and improvement in higher band achievement.

- Our school has introduced the “Top 5” learning expectations for each learning concept. This provides clarity around expectations and allows teachers and students to maintain and focus on expected teaching and learning requirements.

- Parents have indicated that the focus on pathways and the awards are helping students build the life skills necessary for success in life. Parents have reported that the way in which the school is using See Saw to report to parents and keep them informed about student learning is to be commended

As always, if you have questions about your child's progress, make a time with your child's teacher to sit down and discuss.

Our staff and students should really be commended for their dedication and hard work over the past two years!
