## Leadership News

What a very different start to a school year! Since beginning as principal at MVPS, we have not had a COVID-free year and it has been an interesting time. However, during that time, we have made significant improvements in student outcomes and have stayed the course in delivering quality education.

It was particularly exciting for the new preschoolers and receptions as they begin their new school adventure.

We warmly welcome back our previous staff and families and welcome those who are new to our school. We have so many new faces in the school community and I look forward to getting to know every single one of you.

This year we have 10 classes with an average of 22 students per class in our junior primary and 28 in our primary. Susan Hayter, Jodie Smith and Jacqui Martlew are on leave for Term One. We would also like to congratulate Katrina Mathews, Tarryn Schnetler and Martin Reiter as permanent members of our teaching staff, creating consistency in our Junior Primary, Primary and STEAM pedagogy.
