Issue 10 Term 4
2023

🎈 Welcome Back, Superstars! 🎈

Hold onto your hats because we've had some thrilling times recently! Let's dive into the fantastic highlights:

🎵 Choir Champs at Southern Music Festival:

Our choir was nothing short of spectacular at the Southern Music Festival! A huge shoutout to Michelle for leading our stars, and a round of applause to the parents who shared such wonderful feedback. You make us beam with pride!

🏆 Sports Day Showdown:

What. A. Day! Green House (Flinders) clinched the title for the first time since 2017, sprinting ahead in the final moments! Thanks to our lightning-fast runners and the fantastic parent crowd cheering us on, the day was a true spectacle of sportsmanship.

🚧 Preschool Capital Works Kickoff:

The preschool area is getting a makeover, and our little ones are wide-eyed at the sight of heavy machinery in action. Out with the old play space and in with the new - we're all buzzing with excitement for what's to come!

★ Positive Behaviour for Learning:

We're halfway to our raffle ticket target, celebrating positive behaviors! A special shoutout to Lachlan, Piper, Ray, and Charlee for winning the quarterly lucky dip. Your dance moves with the car and the special lunch were epic!

Here's to more exciting moments ahead. Let's make the most of this fantastic term!

Numeracy in Reception

In Numeracy this term, the reception students have been delving into the realm of measurement. Our aim is to develop the ability to discuss measurements using mathematical language. We are currently investigating four key attributes: mass, capacity, length, and duration. The exploration of measurement in mathematics is not only enjoyable but also an essential skill required in various aspects of our everyday lives. I invite all parents and caregivers to seize a moment this weekend, encouraging your child to join you in the kitchen for a collaborative and exciting baking experience.

Reception and Year 1

Our Day at the Zoo

It was such a great day of fun and learning for everybody. Students observed a variety of animals and were challenged to use the zoo map to move altogether to the next enclosure without getting lost. They were mostly successful and we saw the majority of peoples favorite animals before lunch time. After eating lunch we all played on the large playground before returning to school.

What the students said!

Lexi- 'First we went on the bus, then we looked at animals. Then we had lunch and fun on the playground.'

Jamie- 'I liked seeing the Meerkat'

Mason- 'We had lots of fun there, and we saw cute and scary animals.'

VIVA All Schools State Athletics CHAMPIONSHIPS

On the 28th of October 2023, Ashton Wall attended the All Schools State Athletics Championships at Mile End Stadium. Ashton competed in the triple jump competition and took away second place with a massive jump of 9.95m. He has been asked to go to Perth to represent South Australia! What this space, we may have an Olympian amongst us!

CONGRATULATIONS ASHTON!

“On my first jump, I was a little nervous but I did a jump of 9.83m and it only went up from there. On my fourth and final jump, I decided to take a risk because as at that point, I was getting a silver medal either way and I jumped 9.95m!”
